

2023 SPONSORSHIP OPPORTUNITIES

Berkeley County Youth Fair Patrons:

BCYF is gearing up for another terrific fair and we are ready to "Just Grow With It" in 2023.

Becoming a sponsor of the Berkeley County Youth Fair is a great investment in our community that yields high returns and exposure.

Consider the average daily attendance is approximately 5,000 x 7 days, you would be able to reach approximately 35,000 people in a week's time. You would be putting your business in front of the largest community event of the year.

Consider the reach beyond the daily attendance at the fairgrounds to also include those reached by TV10 with live coverage and tape delayed coverage. Our higher level sponsors receive great visibility from their investment. Our social media platform is growing by leaps and bounds and you as a sponsor will be a part of that platform.

But most importantly, consider the investment in our youth - how can you put a value on the hundreds of lives of young people in our community who participate in the fair? Your investment ensures our 76 Years of Traditions continue to provide these youth in our community an opportunity to grow, learn and experience a wholesome life-impacting event.

We are so excited to get this year underway and want you to be a part of the annual fair tradition for 2023. Attached are the various sponsorship levels available for 2023 for you to review and if you have any questions, please do not hesitate to reach out by emailing sponsorship@berkeleycountyouthfair.org.

*Looking forward to working with you in 2023!!!!
Sincerely,
Dawn B. Pingley
President
Berkeley County Youth Fair Association*

ABOUT SPONSORSHIP OPPORTUNITIES

Donations can be monetary or "in-kind" donations. If they are "in-kind" donations please make sure a receipt is given to the BCYF treasurer so your contribution can be recorded. Award Sponsors are not included in these contribution levels and are a separate donation.

Some important things to consider about your investment!

DAILY ATTENDANCE:

Our average attendance per day based on 2022 numbers was 5,000 x 7 days or 35,000 people in a week's time. This is the audience you are putting your business in front of. . . as it is one of, if not the largest community event of the year.

ONLINE AUDIENCE:

Our Fair week is televised on TV10 daily, with live coverage and tape delayed coverage as well. Our higher level sponsors receive great visibility from their investment throughout the Fair week. Even when folks can't make it to the fair they are tuning in online daily and many of those who do attend also watch the replays daily.

AUCTION EXPOSURE:

Our Annual Livestock Auction brings out business owners from the tri-state region for a very important event on Friday of the fair. This is also an opportunity to reach people who may see your banners or hear your name over the loud speaker or through our communication channels like our website or social media.
